

No Sew Gift Bag

123IdeaShare.com

Here is the finished project:

What you will need: two, 7x7 in. pieces of felt - choose a coordinating color of felt to your front fabric. Heavy, medium or lite Fusing Heat Bond. An Iron. Favorite holiday fabric scraps 8 inches wide. (You will cut/iron them to fit afterwards.) Ribbon to hang the bag. Scissors. You won't need a needle, thread or a sewing machine.

In the beginning:

The Middle:

cut three
3/4 " strips of
fuse for the inside.
- leave the top open no fuse here.

cut little
strips of
fuse for the
ribbon hanger.
iron on the inside

iron the first
fused strip to the top
only in the center

Final: Iron together

Make sure your iron is really hot. All finished.
